Good news! We're making it easier to get a replacement account number if your account is compromised.

Starting November 17, 2019, if your account is compromised, we can simply issue you a replacement account number without the hassle of closing your existing account and opening a new one. This will allow you to continue using your existing debit card.

We've updated our Deposit Account Agreement to explain this change:

We can assign and transfer your account information and documentation to a replacement account number at our discretion. We may make this assignment when your account is reported compromised by you or any signer. If we issue you a replacement account number, this Deposit Account Agreement governing you and your account will continue to apply, without interruption, as if you retained the discontinued account number.

Please call us at the number at the top of this statement if you have any questions.
